### Commercial Grade Devices

The devices we offer via our portals are commercial grade that you won't find in a retail store. Built to a higher quality and most coming with 3 year warranty options they are designed to last longer than their retail counterparts.

### \$100 Lay By Service

We offer parents a \$100 deposit option to secure a device and let them pay much closer to the delivery date.

### Wide range of payment options

We provide a wide range of online payment methods available on our website.

Now accepting **LAYBY**

### Hassle Free Quick Onsite Servicing

The student environment often leads to a higher number of repairs. Onsite support at the school greatly reduces frustrations for parents. Getting a retail device repaired usually takes weeks and quite often requires the parent to take time out of their day.

### Accidental Damage Protection

We offer well priced insurance options that give Accidental Damage protection with quick repair times. We use Manufacturers Insurance to help guarantee parts availability.

### 12 Month Interest Free or 36 Month Payment Plans

We recommend 36-month payment plans that are approved online via Latitude. These plans not only help spread the cost for parents but are designed so the device is fully paid for at the end of the 36 month period.

### Quick Delivery

Many education devices are considered to be a special build and often have lengthy lead times. LWT work with our suppliers and bring in thousands of devices upfront so students can have them in a week rather than months.

### Pick up from School

All devices must be delivered to and picked up from the school.

### Dedicated Parent Hotline

To ensure parents calling us get to the right person, we have a dedicated hotline just for portal related calls. Parents can call us with ordering, payment and delivery enquiries on 1300 839 605.
